

Yee Haw! It's time for **Mother/Daughter Weekend** at Rawhide Ranch. Moms and their girls of all constellations will gather together to enjoy each other and Rawhide Ranch. It is a time for just the gals to gather for fun and relaxation, to experience things together or try activities separately, and to simply share the magic of camp.

Come as a group or meet new friends! **Mother/Daughter Weekend attendees may be housed together in a shared cabin with a few other attendees.** We try to keep the girls close in age, so be ready to meet new friends and share some fun cabin times together! If you are coming with friends and would like to share a cabin and/or be placed in the same group for the daily activities, you may request this when you register online, or contact the ranch and let us know who you would like to be housed and/or grouped with.

The ladies will begin their ranch adventure on **Friday** with **check-in at 6:00 p.m.** Upon arrival you will mosey on up to the Stockman's Hotel (office) where you will check-in and receive your cabin assignment and schedule for the weekend. **There is no dinner served on Friday night so be sure to eat before you arrive!** We will have snacks available upon arrival, but not a full meal. **Orientation will begin promptly after check-in so please do not be late!**

The weekend will include plenty of time for a whole host of ranch activities including riding & vaulting lessons, campfire, archery, camp crafts, visiting the camp store, family games and even plenty of time to just relax and enjoy each other's company. Minimum age requirement for riding is 7 years old. We will have a lead line class available for those who are ages 3 to 6. Children ages 0-2 do not participate. The days will be full of choices, great meals prepared by our friendly kitchen staff, and good old-fashioned fun! Meals at Rawhide Ranch are an important part of the experience and a time to sit together and talk about our day, what we've learned and make new friends.

The weekend will mosey to a close on **Sunday** after a great ranch lunch, as we all bid each other a fond farewell.

Camp life at Rawhide Ranch is rustic and moves at a slightly different pace. Without cell phones, emails, TV, crazy sports schedules and work deadlines looming, we can relax together and enjoy living at a slower pace (**sorry, no Wi-Fi**). Each family will enjoy their cabin(s) in one of our rustic living areas. We provide everyone with foam mattresses for their bunk bed. You will need to bring along a pillow and sleeping bag to complete your bedding. An extra blanket is also great if you want to stay toasty warm at night. The cabins are not heated or cooled, so please check the weather before arrival and be sure to pack accordingly. Each housing area has restroom/shower facilities immediately adjacent to the cabin areas. Please note that each family is responsible for their own first aid care. (See **Packing List** and **Health & Safety Policies**)

#### **Before Arrival:**

Please make sure that all of the required forms have been completed and submitted through your online account. Please let us know if anyone in your family/group requires vegetarian meal options.

From all of us here at Rawhide Ranch, thank you and we will see you all soon!
