♥ **Check-in** is at **6:00 PM** on **Friday**. There is **no dinner on Friday night** so please eat before you get here! Orientation will begin promptly after check-in, so please do not be late!

♥ Upon arrival, park in the Ranch's main parking lot and walk up Main Street to the **Stockman's Hotel** for check-in. Here we will give you a schedule, tell you where your cabin is and let you know what the first activity will be. **Please keep in mind that you will be carrying all of your luggage from the parking lot to your cabin, so pack lightly!** **Wagons are a GREAT idea to help with luggage.**

♥ Mother/Daughter Weekend attendees may be housed together in a shared cabin. You can request to be housed with friends when you register online. Rawhide Ranch will assign each family to a cabin. Please be aware that you may be sharing a cabin with another family (all females).

♥ All of the **required forms** must be completed and submitted for each person attending. The forms must be completed at the time of registration through the family's online account. If a child is coming with your family whose parent/guardian will not be in attendance, their parent must register them separately so they can agree to and sign all of the required forms.

♥ There will be group riding and vaulting lessons (beginner) throughout the weekend, in addition to a host of other fun activities. Minimum age requirement of 7 years old applies for riding. We will have a lead line riding class available for those ages 3 to 6. This is due to insurance regulations and not flexible at all, so please make sure anyone under 7 knows this ahead of time. **We cannot make exceptions.** Anyone not yet 7 must do a lead line riding class. Children ages 0-2 do not participate.

♥ Departure will be on **Sunday** after lunch, around **1:30 PM**.

All of us here at Rawhide Ranch are very excited to experience this amazing adventure with you, your family and friends! We will have so many exciting opportunities going on during the weekend, so prepare for a weekend full of fun and relaxation. It will be a wonderful chance to re-connect with nature and get to know your loved ones on a whole new level. Thank you for your support and we look forward to seeing y'all soon!
